

OIL FILTER CAPS

DELIVERING A COMPLETE SOLUTION

With extreme heat exposure, engine vibration, oil pressure, repeated torquing after oil change service or use of the wrong tools, original equipment oil filter housing caps will eventually wear out and break unexpectedly.

Keep customers on the road by stocking the right oil filter housing cap replacements from Premium Guard®

DIRECT FIT REPLACEMENT

Premium Guard oil filter housing caps are precision engineered as a direct fit replacement that delivers original equipment fit and performance.

LONG LASTING DURABILITY

Premium Guard oil filter housing caps are made from high-quality materials for exceptional durability, oil change after oil change.

INSTALLATION READY

Premium Guard replacement oil filter housing caps come with everything required for a successful installation, including O-rings, center tube, and plugs where applicable.
